

# **INTERIOR, ENVIRONMENT, AND RELATED AGENCIES**

**Recipient name: Pearl River Valley Water Supply District**

Project name: Pearl River County for Water Storage Tank Upgrades.

Project purpose: Funding to provide repairs to water storage tanks.

Project location: Brandon, Mississippi

Amount requested: \$880,000

**Recipient name: The Town of Sardis**

Project name: Town of Sardis for Wastewater System Infrastructure Improvements

Project purpose: Funding to rehabilitate water and wastewater infrastructure.

Project location: Sardis, Mississippi

Amount requested: \$900,000

**Recipient name: City of Brandon**

Project name: City of Brandon for Sewer Rehabilitation

Project purpose: Funding for sewer rehabilitation

Project location: Brandon, Mississippi

Amount requested: \$3,000,000

**Recipient name: The City of Gautier**

Project name: City of Gautier for Water Well Upgrades

Project purpose: Funding for a new municipal water well.

Project location: Gautier, Mississippi

Amount requested: \$2,000,000

**Recipient name: The City of Poplarville**

Project name: City of Poplarville for Drinking Water Improvements

Project purpose: Funding to address deficiencies in water infrastructure.

Project location: Poplarville, Mississippi

Amount requested: \$2,000,000

**Recipient name: Kemper County Board of Supervisors**

Project name: Kemper County for Waterline Improvements

Project purpose: Funding to improve water quality for the residents of Kemper County.

Project location: Kemper County, Mississippi

Amount requested: \$4,600,000

**Recipient name: Mississippi Valley State University**

Project name: Mississippi Valley State University for Elevated Water Tank Rehabilitation

Project purpose: Funding for an elevated water tank.

Project location: Itta Bena, Mississippi

Amount requested: \$2,000,000

**Recipient name: The City of West Point**

Project name: City of West Point for Wastewater Infrastructure Rehabilitation and Improvements.

Project purpose: Funding to rehabilitate a wastewater system.

Project location: West Point, Mississippi

Amount requested: \$3,000,000

**Recipient name: The City of Pearl**

Project name: City of Pearl for Sewer Rehabilitation efforts

Project purpose: Funding for sewer rehabilitation.

Project location: Pearl, Mississippi

Amount requested: \$3,500,000

**Recipient name: The Town of Sandersville**

Project name: Town of Sandersville for Wastewater Infrastructure Improvements

Project purpose: Funding for a sewer improvement project.

Project location: Sandersville, Mississippi

Amount requested: \$2,080,000

**Recipient name: DeSoto County Regional Utility Authority**

Project name: Desoto County for Wastewater System Improvements

Project purpose: Funding for wastewater infrastructure upgrades.

Project location: DeSoto County, Mississippi

Amount requested: \$5,000,000

**Recipient name: City of Horn Lake**

Project name: City of Horn Lake for Sanitary Sewer Rehabilitation

Project purpose: Funding for a sewer collection system.

Project location: Horn Lake, Mississippi

Amount requested: \$3,000,000

**Recipient name: East Mississippi Community College**

Project name: East Mississippi Community College for Wastewater Lagoon Decommissioning

Project purpose: Funding for regional wastewater system connection.

Project location: Mayhew, Mississippi  
Amount requested: \$1,900,000

**Recipient name: The City of Starkville**

Project name: City of Starkville for Well Upgrades  
Project purpose: Funding for improvements to Starkville's water production well infrastructure.  
Project location: Starkville, Mississippi  
Amount requested: \$2,512,000

**Recipient name: Tunica County**

Project name: Tunica County for Wastewater Infrastructure Improvements  
Project purpose: Funding to support wastewater infrastructure.  
Project location: Tunica, Mississippi  
Amount requested: \$2,854,000

**Recipient name: Town of Ecu**

Project name: Town of Ecu, MS for Wastewater Treatment Upgrades  
Project purpose: Funding for sewage treatment facility.  
Project location: Ecu, Mississippi  
Amount requested: \$800,000

**Recipient name: Clinton/Raymond/Bolton Wastewater Authority**

Project name: Cities of Clinton/Raymond/Bolton Wastewater Authority for Regional Wastewater System Improvements  
Project purpose: Funding for a centralized wastewater system.  
Project location: Clinton, Raymond, and Bolton Mississippi  
Amount requested: \$8,000,000

**Recipient name: The City of Canton**

Project name: City of Canton for Municipal Utilities Water Improvements

Project purpose: Funding for a new water treatment plant.

Project location: Canton, Mississippi

Amount requested: \$3,500,000

**Recipient name: The City of Ridgeland**

Project name: City of Ridgeland for Water Quality Enhancements

Project purpose: Funding to address water quality risks.

Project location: Ridgeland, Mississippi

Amount requested: \$5,000,000

**Recipient name: The City of Wiggins**

Project name: Wiggins Sewer Improvements

Project purpose: Funding to replace failing sewer line and manholes.

Project location: Wiggins, Mississippi

Amount requested: \$800,000

**Recipient name: Harrison County Utility Board**

Project name: City of Gulfport for Headworks and Grit Removal Improvements

Project purpose: Funding to improve treatment capacity.

Project location: Gulfport, Mississippi

Amount requested: \$2,000,000

**Recipient name: City of Laurel**

Project name: City of Laurel for Sewer Line Protection

Project purpose: Funding for wastewater infrastructure.

Project location: Laurel, Mississippi  
Amount requested: \$ 5,000,000

**Recipient name: Rankin County and Hinds County**

Project name: Rankin County for Flood Control Improvements  
Project purpose: Funding for the final stage of National Environment Policy Act completion.  
Project location: Flowood, Mississippi  
Amount requested: \$3,000,000

**Recipient name: The City of Hattiesburg**

Project name: City of Hattiesburg for Hattiesburg Historic Neighborhood Infrastructure Improvements  
Project purpose: Funding for sewerage improvements.  
Project location: Hattiesburg, Mississippi  
Amount requested: \$3,000,000

**Recipient name: The City of Petal**

Project name: City of Petal for Wastewater Infrastructure Improvements  
Project purpose: Funding wastewater infrastructure upgrades.  
Project location: Petal, Mississippi  
Amount requested: \$3,000,000

**Recipient name: The City of Forest**

Project name: City of Forest for Sewer Rehabilitation Project  
Project purpose: Funding for sewer line upgrades.  
Project location: Forest, Mississippi  
Amount requested: \$3,000,000

**Recipient name: Cleveland Music Foundation**

Project name: Grammy Museum Preservation Project

Project purpose: Funding for modernization of galleries at the Grammy Museum.

Project location: Cleveland, Mississippi

Amount requested: \$250,000

**Recipient name: East Tate Elementary School**

Project name: East Tate County for Well Upgrades

Project purpose: Funding for a new groundwater well and pump house.

Project location: Tate County, Mississippi

Amount requested: \$2,500,000

**Recipient name: The Riley Foundation**

Project name: Riley Center Preservation

Project purpose: Funding to restore the Grand Opera House in Meridian, Mississippi.

Amount requested: \$500,000

**Recipient name: The University of Mississippi**

Project name: University of Mississippi for Advancing Mississippi Mineral Resources Exploration and Assessment

Project purpose: To fund the modernization of Mississippi's mineral exploration capacity.

Amount requested: \$ 1,500,000

**Recipient name: West Jackson County**

Project name: West Jackson County Elevated Water Storage Tank

Project purpose: Funding for a water storage tank.

Project location: West Jackson County, Mississippi

Amount requested: \$4,000,000

**Recipient name: City of Magnolia**

Project name: City of Magnolia Wastewater Improvements

Project purpose: Funding for critical wastewater infrastructure expansion in Pike County.

Project location: Magnolia, Mississippi

Amount requested: \$1,368,000

**Recipient name: Town of Taylorsville**

Project name: Town of Taylorsville Water System Improvements

Project purpose: Funding to repair an aging wastewater system.

Project location: Taylorsville, Mississippi

Amount requested: \$3,100,000

**Recipient name: City of Flowood**

Project name: City of Flowood for Water Main Replacement

Project purpose: Funding for a drinking water infrastructure project in Flowood, MS.

Project location: Flowood, Mississippi

Amount requested: \$4,814,000

**Recipient name: City of Louisville**

Project name: City of Louisville Drinking Water System Improvements

Project purpose: Funding for water supply infrastructure upgrades.

Project location: Louisville, Mississippi

Amount requested: \$2,360,000

**Recipient name: City of Lucedale**

Project name: City of Lucedale Water Distribution Improvements

Project purpose: Funding to replace water mains and obsolete pipelines.

Project location: Lucedale, Mississippi

Amount requested: \$5,000,000
